About Club NTW

Club NTW brings ambitious professionals, entrepreneurs and business leaders together through memorable experiences and meaningful connections.

We believe the best relationships are built naturally, in the right environment, with the right people.

Through curated events, experiences and our growing member network, Club NTW creates opportunities to *Meet. Drink. Connect.*

*“We believe the right room
creates the right connections.”*

Why This Event Matters

A Very Personal Reason

Club NTW was created around the belief that bringing the right people together can create meaningful connections and lasting relationships.

The Club NTW Gala Dinner takes that belief one step further. It will bring together our members, friends, partners and wider business community for one exceptional evening, with a purpose beyond the room itself.

To celebrate. To connect. And to give something back.

Agnes' Story

A story very close to our hearts.

Agnes was born in 2019 with Tetralogy of Fallot, a congenital heart condition affecting four areas of the heart.

At just six months old, Agnes underwent open-heart surgery at Evelina London. At three years old, she required a second procedure. Today, Agnes is eight years old and doing amazingly well.

Her journey is the reason we wanted to create something that gives back to the hospital and the people who played such an important role in giving her that future.

The Club NTW Gala Dinner is our opportunity to bring our community together and support Evelina London Children's Charity.

Agnes Lavender Louise Roach

Evelina London Children's Charity

Supporting children, young people and their families when they need it most.

Evelina London provides specialist care for children and young people, supporting families through some of the most challenging moments of their lives.

For our family, Evelina is more than a hospital. It is where Agnes received the specialist care that changed the course of her life.

Through our Gala Dinner, we want to help support the incredible work of Evelina London Children's Charity and give something back to a place that means so much to our family.
